APPEAL FOR CALM FOLLOWING SHOOTING INCIDENT AT
SOKABISI - BOLGATANGA TRADITIONAL COUNCIL

FOR IMMEDIATE RELEASE

The Bolgatanga Traditional Council expresses profound sorrow over the tragic shooting incident at Sokabisi within the Bolgatanga Traditional Area on January 17, 2024. This incident resulted in the untimely demise of Assistant Registrar Mr. Alhassan Azumah, a respected lecturer at Bolgatanga Technical University.

The Council vehemently condemns the audacious attacks occurring in Bolgatanga, the Upper East Regional Capital, stemming from the Bawku conflict. We call upon the relevant security agencies to promptly launch a thorough investigation, ensuring the perpetrators are brought to justice.

In the interim, we urge residents and the bereaved family to exhibit restraint and maintain a sense of calm, despite potential provocations by unidentified individuals. It is essential for the public not to seek retaliation against suspected wrongdoers; instead, we encourage the sharing of information with the Ghana Police Service to aid their investigations.

The Council calls upon law enforcement agencies to expedite the investigative process. This not only assures the community but also serves as a deterrent to those with nefarious intentions.

We appreciate the public's cooperation in these trying times and anticipate a swift resolution to this tragic incident.

DATED: AT BOLGATANGA THIS 22ND JANUARY, 2024.
