

B-BOVID LIMITED

Integrated organic & Biodiversity Farming

Agriculture, Aqua-culture, Agro Processing, Agro-Eco Tourism

Building Business On Values Integrity & Dignity

UN AWARD WINNER

THE DIRECTOR GENERAL
REGISTRAR GENERAL'S DEPARTMENT
HEAD OFFICE, ACCRA.

Official Commendation Letter.

Dear Mrs. Jemima Oware,

I am writing to extend my heartfelt commendation to Ghana's Registrar General's Department for the exceptional professionalism and dedication to work displayed by you and your team. I would like to express my profound gratitude for your unwavering commitment to upholding the principles of transparency, fairness, and lawfulness in the recent incident involving B-BOVID.

I sincerely appreciate the Registrar General's Department for preventing an unlawful and illegal take-over of B-BOVID through the alteration of its shareholding structure. Your insistence on following the laid-down procedures and protocols foiled the clandestine attempt by the under listed entities,

1. **Herve Bourguignon**, a French national who serves as a Senior Advisor/partner at Moringa and also partner at **CIA Benjamin ROTHSCHILD SA**, a Swiss Private Bank and

2. **Seth Kwasi Asante**, who presented himself as B-BOVID's secretary and is also a senior lawyer and managing partner of **BENTSI-ENCHILL, LETSA & ANKOMAH (BELA)** law firm, lawyers for Moringa, to manipulate the

company's constitution and remove the indigenous founder and shareholder, Issa Ouedraogo, from the business.

The fact that both Moringa and BELA, as lawyers, were aware of the ongoing arbitration regarding the true ownership of B-BOVID makes your intervention even more commendable. Your swift action not only prevented an illegal and a potential criminal act but also safeguarded the principles of corporate governance and preserved the integrity of the company.

Issa Ouedraogo, UN award winner, the innovative and visionary indigenous founder and shareholder of B-BOVID, had dedicated his entire life and lifetime savings to building this business from scratch **to promote sustainable agriculture (climate smart agriculture) and food security in Ghana and Africa.** Your commitment and dedication to your work ensured that his efforts were not in vain and that justice prevailed.

I would like to emphasize the significance of your actions in upholding the principles of transparency, fairness, and the rule of law in our country. By doing so, you have set a commendable example for others to follow and have contributed to maintaining the integrity of our company and the business landscape of Ghana.

Once again, I extend my deepest appreciation to you and your team at the Registrar General's Department. Your professionalism, dedication, and commitment to upholding the highest standards of corporate governance are truly commendable. I pray that God will continue to bless you and your team as you serve mother Ghana diligently into the future. Thank you.

Sincerely,

Issa Ouedraogo
