## Every Child is Precious

---

### Official Launch of the Heart of Grace Foundation Theme: Hope for the Children

#### PRESS RELEASE

WEDNESDAY, 12 JUNE 2013

FOR IMMEDIATE RELEASE

#### Background

Heart of Grace Foundation is a Netherlands-based non-governmental and non-profit organization set up to support less privileged children of Offadaa Methodist school in the central part of Ghana through education and skills acquisition. We are happy to announce the launch and fund-raising event towards supporting the mission of the foundation.

**Date:** Saturday, 22nd June 2013

**Venue:** Bijmer Parktheater, Anton de Komplein 240, Amsterdam

**Time:** 17:30 – 00:30

Our main approach is primarily aimed at setting up a scholarship fund to achieve this worthy objective of providing affordable education to as many children as possible in central Ghana. Heart of Grace Foundation is committed to creating a platform for socialization that will allow teenagers spend their free time productively, adding value to their academic work and skills thereby achieving a better future for themselves and their communities. The launch event is aimed at generating funds to renovate the KG block, to provide furniture for the children and promoting the mission of the organization.

#### Special Highlights

Documentary on the foundation activities in Ghana; dance show, guest artists from Ghana and Nigeria; fashion show featuring international and national designers
