Dear Madam,

**UNANIMOUS RESOLUTION OF CONVENTION PEOPLES' PARTY CENTRAL
COMMITTEE, FOR NATIONAL CHAIR AND LEADER TO STEP DOWN
PENDING ELECTIONS AND INVESTIGATIONS**

At the recent CPP Central Committee meeting held on 21st April 2022, it was unanimously resolved that a breach of Article 93 (e) of the Party Constitution can only be rectified by carrying out a mandatory run-off between the two candidates who obtained the highest number of votes, to select a winner as prescribed by Article 93 (f) of the Party's Constitution.

This breach was occasioned by the fact that the chairmanship elections of 22nd of August, 2020 did not produce a validly elected Chairperson and Leader for the party as you, Comrade, the leading candidate, received only 43% of the total votes cast.

This error has been accepted and admitted in writing, by the Chairman of the Interim Organizing Committee of the 2020 internal elections, Senior Comrade R. O. Frimpong Manso.

Furthermore, contrary to some assertions, no vote was taken at Congress to waive the constitutional provision requiring a 50% or more threshold.

A run-off election will be therefore be conducted between you and the 1st runner-up, Comrade Hajia Hamdatu Ibrahim, as soon as possible, with the modalities to be communicated by the recent Central Committee appointed Election Re-Run Congress Committee.

It was also unanimously agreed by the Central Committee, to refer you to the disciplinary committee for alleged misappropriation of funds donated to the party in the run-up to the 2020 Ghana National Presidential and Parliamentary Elections.

The unanimous decision by the Central Committee therefore is that you step down from your position as National Chair and Leader forthwith, in order not to prejudice the various processes and resolutions, and also in order to uphold the Constitution of our Great Party.

It is our fervent hope that you will comply with immediate effect.
