## The Royal Akyem Kingdom, Ghana

The Book, 'The Royal Akyem Kingdom', Ghana is specially compiled to showcase the Akyem Abuakwa Traditional Area and its environs.

This unprecedented masterpiece will enlighten its readers about the rich history and culture of the Kingdom, as well as the ancestral linage of the kings who have ruled in this great land.

The Book highlights the tourist attraction sites in Okyeman, the economic resources of the land, the profiles and endeavours of the various District Assemblies and the investment opportunities available. It also pays Okyeman has begotten over the years.

The Royal Akyem Kingdom, Ghana talks about Akyem Abuakwa's land management systems and some of the new policies introduced by the current monarch, Osagyefuo Amoatia Ofori Panin, since his ascension to the throne nearly a decade ago, and whose relentless fight against environment degradation, the HIV/AIDS pandemic and the poor education and health standards in lives of the Ghanaian have yielded laudable results in Ghana, Africa and the world over.

The Royal Akyem Kingdom, Ghana is the realization of one man's recurrent dream and painstaking pursuit to portray the kingdom of Akyem Abuakwa in terms of text and photo graphics for every Ghanaian and every person in the Diaspora to appreciate.
