

# RAQUEL & D-BLACK IN A LOVE SCANDAL

\*\*\*\*\*

It is finally here, the song that everybody has been talking about. The song that will become Africa's No 1 hit record coming off the @25 Debut Album called 'Let You Go'.

A song by Ghana's Award winning sweet sensational song bird 'Raquel' and one of Ghana's No 1 Award winning Hip-hop Artist 'D-Black' the Ghana Bwouy, a perfect song represented by two camps BlackStar SR Entertainment and Black Avenue Muzik. The record was produced by Sammie Blacc the official Producer at BAM studios. Mr. Blacc has several hits to his credits like the current Alhaji D-black ft Joey B, Falling D-Black ft Nigeria's Mo Cheddah, the song went on to win a Channel O Award in 2012 South Africa.

Raquel's lyrics describe a situation of loving someone you cannot be with, yet her personality on the song also signifies some degree of happiness and still some down hearted emotions.

Raquel and D Black are giving us the double release this year with 'Happy' off the 'Revolution' Album and 'Let You Go' off the @ 25 Debut Album. We look forward to seeing how the videos will turn out to be.
